### **Request**

I refer to your email dated 05/01/2017 requesting information regarding the Student Loans Company Limited's ("SLC") information technology team and infrastructure under the Freedom of Information Act 2000 ("FOIA").

Please note that SLC does not have a single Information, Communication and Technology ("ICT") Department. Rather, the ICT functions within SLC come under our Digital, Transformation and Technical Services ("DTTS") Directorate. This Directorate includes some functional areas which would not routinely be described as Information Technology ("IT") or ICT. The response provided is for information which is held under this Directorate.

### **Response**

I can confirm that SLC holds some, but not all, of the information you have requested.

Please refer to the attached document for our full response. For ease of reference we have placed a response beside each question in the attached table using your original numbering.
